

IEC to EN Standard Declaration – EN 62040

May 9th, 2022

We declare under our sole responsibility that our product(s), which were tested by IECEE certified test laboratories, comply with the requirements of the EN equivalent standard, although having been evaluated against the IEC standard.

We have thoroughly reviewed reports issued to standard IEC 62040-1 and based on our comparison and evaluation to standard EN 62040-1, we firmly believe our product(s) meet all relevant requirements outlined therein.

For legal responsibility and representation, a test report can be provided upon request.
