

End-of-life notification for Tripp Lite Series Network Cards

Eaton is announcing that it will end-of-life select aging model network cards effective immediately. The models are being eliminated as we consolidate and streamline our offerings. Orders entered against the part numbers will be honored on a first come, first serve basis until all remaining stock is depleted. Please see the cross-reference list below for an alternate solution if stock is depleted.

EOL Part Number	Suggested Replacement
WEBCARDLXE	WEBCARD-M3
