

Limited Factory Warranty for S3M (208V) Series 10-100 kVA 3-Phase UPS Models

Seller warrants the product, if used in accordance with the manufacturer's specifications, as outlined in the owner's manual and all applicable instructions, and as verified by Tripp Lite's UPS commissioning service, to be free from original defects in material and workmanship. **This Warranty applies for a period of:**

Product Type	Region	
	Continental USA and Canada	International Markets (Not Including USA and Canada)
UPS Electronics and UPS Internal Batteries	Two years from Tripp Lite UPS commissioning or 30 months from shipment, whichever is less.	Two years from Tripp Lite UPS commissioning or 30 months from shipment, whichever is less.
UPS External Batteries	One year from Tripp Lite UPS commissioning or 18 months from shipment, whichever is less.	One year from Tripp Lite UPS commissioning or 18 months from shipment, whichever is less.

If the product should prove defective in material or workmanship within that period, Seller will repair or replace the defective parts at no cost.

The product must be commissioned by an authorized and approved Tripp Lite service technician, and the applicable commissioning or maintenance documentation must be submitted to and approved by Tripp Lite, for this Warranty to be valid. If the product has not been commissioned by an authorized Tripp Lite service technician, eligible replacement parts may be provided, but ineligible parts charges and labor charges will apply based on published Tripp Lite parts pricing and time and material rates.

This Warranty does not apply to batteries sourced outside of Tripp Lite or any other components sourced outside of Tripp Lite. This Warranty is not transferable and applies to the original end-user only. This Warranty does not apply to other Tripp Lite warranty extensions or service contracts, as those products carry their own terms. Service under this Warranty can only be obtained by contacting Tripp Lite Customer Service:
