Eight Leaders at Eaton Named to CRN's 2022 Women of the Channel List

- **Esteemed list honors their dedication to channel excellence**

CHICAGO ... Power management company Eaton today announced that [CRN](#)[®], a brand of [The Channel Company](#), included eight female leaders at Eaton on its Women of the Channel list for 2022. This list honors the accomplishments of women from all corners of the IT channel, including vendors, distributors and solution providers whose strategic vision, expertise and contributions make an impact on the industry every day.

The Eaton employees named to the list are **Christine Burrows**, senior national account manager; **Bailee Day**, marketing specialist; **Penny Downey**, channel marketing manager; **Stephanie Durden**, channel marketing manager; **Beatriz Garcia**, marketing specialist; **Jennifer Schmid**, manager – national accounts; **Donna St-Denis**, channel marketing manager and **Michelle Wang**, director of channel marketing.

“As Eaton continues to face a challenging global environment, these individuals, with support from their teams, have helped guide us to record results through their leadership, dedication, channel advocacy and creativity,” said Chris Butler, president, Critical Power and Digital Infrastructure, Eaton. “We’re proud to see their efforts in supporting our channel partnerships are being recognized. This recognition is a testament to their accomplishments.”

By bringing innovative concepts, strategic business planning and comprehensive channel initiatives to life, these extraordinary women support partners and customers with exceptional leadership. CRN celebrates these women for their constant dedication to channel excellence.

“We are proud to once again recognize the remarkable leaders on this year’s Women of the Channel list. Their influence, confidence and diligence continue to accelerate channel success significantly,” said Blaine Raddon, CEO of The Channel Company. “Their accomplishments will inspire others and we look forward to witnessing their future contributions to the channel.”

CRN’s 2022 Women of the Channel list will be featured in the June issue of CRN Magazine and online at [CRN.com/WOTC](https://www.crn.com/WOTC).

Eaton’s Tripp Lite business provides industry-leading digital infrastructure solutions for consumers and IT customers worldwide, including cables and connectivity, charging solutions, mounts, carts, server racks, cooling, KVMs, UPS systems, PDUs and surge protectors.
