

Eaton Rolling Caster Kit for Select 9PXM UPS Systems, TAA

MODEL NUMBER: 9PXM CAS

Mounts to 9PXM UPS system to allow it to be moved smoothly and securely from room to room.

Features

Modify Your Eaton UPS System for Smooth Mobility from Room to Room

This heavy-duty caster tray allows you to roll your 9PXM UPS system, power modules and battery modules from one room to another or secure them for floor installation. The 9PXM CAS includes rugged metal casters designed for smooth rolling between locations, even through doorways and across carpeting. The sturdy mounting platform includes anchor brackets and leveling feet to ensure your UPS system remains in place.

TAA-Compliant for GSA Schedule Purchases

The 9PXM CAS is compliant with the Federal Trade Agreements Act (TAA), which makes it eligible for GSA (General Services Administration) Schedule and other federal procurement contracts.
