

Network Surge Suppressor - Essential protection for data and communication lines

MODEL NUMBER: D10B2

Highlights

- Complete dataline (BNC coaxial) surge protection
- Protects against the effects of electrostatic discharge, faulty wiring and lightning
- Lifetime product warranty
- Heavy duty grounding lead

Description

Tripp Lite's D10B2 offers data line surge suppression for 10Base-2 (thin coax) ethernet network interface cards, bridges and routers, plus IBM 3270 and CCTV lines. Includes BNC coax male to female connections allow convenient placement at the protected device network connection. Surge suppression is handled with balanced arrays of high-speed avalanche diodes that divert excess energies created by electrostatic discharges, faulty wiring or lightning away from network interface connections. Tripp Lite network surge suppressors reduce blown NIC cards, garbled network transmissions, system lock-ups and hard equipment failure by safely shunting dataline surges to ground. Six inch heavy gauge grounding lead connects to designated grounding lugs available on the back panel of most network workstations and pieces of internetworking equipment. Lifetime warranty. SUPPRESSION: 1 set BNC Coax (male/female), protects center, shield & chassis, 7.5V clamping.

Features

- D10B2 offers data line surge suppression for 10Base-2 (thin coax) ethernet connections
- Protects network interface cards, bridges and routers, plus IBM 3270 and CCTV lines
- BNC coax male to female connections connect to existing 10Base-2 wiring
- Surge suppression utilizing high speed avalanche diodes divert excess energies on the network to ground
- 6 inch heavy gauge grounding lead connects to designated grounding lugs on protected equipment
- Lifetime product warranty

Specifications

Tripp Lite
1111 W. 35th Street
Chicago, IL 60609 USA
Telephone: 773.869.1234

OUTPUT	
Circuit Breaker (amps)	750
INPUT	
Recommended Electrical Service	120V
Input Connection Type	BNC coax
SURGE / NOISE SUPPRESSION	
Clamping Voltage (RMS)	7.5
DATALINE SURGE SUPPRESSION	
Telephone/DSL Protection	0
Cable (Coax) Protection	1
Cable (Coax) Protection Details	1 line
Network (Ethernet) Protection	0
Additional Dataline Protection	Center, Shield & Chassis
WARRANTY	
Product Warranty Period (Worldwide)	Lifetime limited warranty
