

Double-Gang UK-Style Gang Frame for Insert Modules, White, TAA

MODEL NUMBER: N042U-WF2-2

Highlights

- Ideal for home theater, VoIP or Ethernet in-wall wiring installations
- Helps prevent accidental cable damage and hides unattractive wiring
- Compatible with select N042U-Series modules and inserts (sold separately)
- High-impact plastic construction designed to blend in with your home/office décor

Package Includes

N042U-WF2-2 Double-Gang UK-Style Gang Frame, White

British-style gang frame accepts compatible wall-mount inserts for terminating premise audio/video, voice or data applications.

Features

U.K. Gang Frame Connects Your In-Wall Audio/Video, Voice or Data Cable Line

This gang frame for unloaded insert modules is ideal for terminating your premise wiring applications, including home theater, VoIP phones and Ethernet. The UK-style N042U-WF2-2 also protects electrical and network cables to help prevent accidental damage to your application. It's compatible with N042U-Series unloaded shuttered modules and inserts (sold separately).

High-Impact Construction Designed to Blend In Seamlessly with Your Room

This white plastic cover plate measures 86 x 146 millimeters (outer frame) and accepts either four 25 x 50 millimeter modules or eight 12.5 x 50 millimeter modules. It blends elegantly into any home or office décor for a sleek, professional installation. The ABS plastic construction meets UL 94V-0 flame-retardant standards for protection against fire and high heat.
