End-of-Row Door Side-Panel Extension for RapidPod Aisle Containment System - 90"H x 24"W, TAA

MODEL NUMBER: NXEORP9024

Adjusts within your modular RapidPod Aisle Containment System to finish and secure the end of a row.

Features

Modular Customization of Your RapidPod Aisle Containment System

This end-of-row door (EoRD) side-panel extension is a durable, lightweight solution designed to finish and secure the end of a row with a clean, professional look. Built from corrosion-resistant aluminum with a sleek powder-coated finish, it offers flexible height and depth adjustments to fit different layouts. The panel integrates seamlessly with doors and adjacent structures, providing both aesthetic appeal and functional enclosure. Easy to install and low-maintenance, it can also include options like cable management, ventilation or locking mechanisms for added versatility.

TAA-Compliant for GSA Schedule Purchases

The NXEORP9024 is compliant with the Federal Trade Agreements Act (TAA), which makes it eligible for GSA (General Services Administration) Schedule and other federal procurement contracts.
