

## Power Extension Cord, Right Angle C13 to C14 PDU Style - 10A, 250V, 18 AWG, 2 ft., Black

MODEL NUMBER: P004-002-13RA

Computer power extension cord with right-angle C13 plug allows connection of a PC, printer or monitor in tight spaces or awkward angles.

### Features

**C14-to-C13 Power Cable Connects Computers, Printers, Servers and Other Equipment** This IEC-320-C14 to IEC-320-C13 cable is designed for small data center, office workstation and other lower-amp applications. This C14 male to C13 female cord can be used to power a computer, server or monitor; attach a server or drive to a UPS system or PDU; or extend an existing connection up to two feet. The two-foot length helps reduce cable clutter and minimize the risk of tripping.

**Right-Angle C13 Plug Makes Connecting in Tight Spaces Easier** The C13 to C14 right-angle cable is easier to install in confined spaces, such as the back of a rack enclosure cabinet. When plugged in, the right-angled C13 plug guides the computer power supply cable parallel to your peripheral, allowing you to push the device up against a wall or hide it behind a desk to maximize space.

## Specifications

### Highlights

- Right-angle C13 plug allows easier connection in confined or hard-to-reach spaces
- Recommended for powering computers, printers and other essential peripherals
- Adds 2 ft. to your existing power connection to provide flexibility in placing devices
- C13-to-C14 PDU-style extension cord is ideal replacement for worn-out or missing cable

### Applications

- Connect devices like computers, servers and monitors to a PDU up to 2 ft. away in your data center
- Extend an existing power connection up to 2 ft. to more easily place a device or reach a power source near your workstation
- Provide a high-quality replacement for a worn-out or missing power cord
- Power a device located in a hard-to-access area behind a desk or flush against a wall

### Package Includes

- P004-002-13RA C14 Male to C13 Female Power Cable, 2 ft., Black
