

Power Cord, C20 to C21 - Heavy-Duty, 20A, 250V, 12 AWG, 4 ft. (1.2 m), Red

MODEL NUMBER: P035-004-ARD

C20 to C21 20A heavy-duty cable connects high-output devices with C19/C22 power connectors commonly found on high-powered IT equipment.

Features

20A C20-to-C21 Power Cable for Network Devices That Require a Heavy-Gauge Connection
This heavy-duty cord features 12 AWG wire suitable for high power connections, making it a reliable solution for large server applications that require a higher-rated, heavier-gauge cable, including
Al/machine-learning data centers. The four-foot (1.2-meter) length helps reduce cable clutter by providing a tailor-made fit between the device and the PDU or UPS in a crowded rack enclosure.

Recommended for High-Temperature Environments

The P035-004-ARD can be used to connect a blade server, large router or network switch with a C22 inlet, usually found on high-powered, high-temperature (overall operating temperature maximum 105°C/221°F) equipment, to a PDU or UPS system. It's an ideal upgrade to a power cord with improved temperature threshold for data center applications in which temperature control and fire safety are high priorities.

Red Jacket Helps Avoid Misidentification That Can Cause Costly Downtime

The UL-listed cable has a red PVC jacket with fully molded red ends, which is easy to identify quickly in a crowded PDU or UPS system and helps prevent the cable from becoming accidentally disconnected.

Specifications

OVERVIEW		
UPC Code	037332293060	
Device Compatibility	Network Switch; PDU; UPS	
Country/Region	North America	
INPUT		
INFOI		
Maximum Input Amps	20	

Highlights

- Recommended for powering switches, servers and other high-powered network devices
- 20A C21/C20 connectors support temperatures up to 221°F (105°C) frequent in rack enclosures
- Thick 12 AWG wire manages high power levels required for larger equipment
- 4 ft. length allows flexibility in placing devices within the rack while avoiding cable clutter
- Red cable jacket allows quick identification of devices in a crowded rack enclosure

Package Includes

P035-004-ARD Power Cord, C20 to C21, 4 ft. (1.2 m), Red
