

# Power Extension Cord, C20 to C19 - Heavy-Duty, 20A, 250V, 12 AWG, 2 ft. (0.6 m), Blue

MODEL NUMBER: P036-002-ABL

C19 to C20 20A heavy-duty extension cable connects high-output devices with C19/C20 power connectors, including blade server chassis.

#### **Features**

**20A C20-to-C19 Power Cable for Network Devices That Require a Heavy-Gauge Connection**This heavy-duty extension cord features 12 AWG wire suitable for high power connections, making it a reliable solution for large server applications that require a higher-rated, heavier-gauge cable. This cord can be used to connect a server, router, network switch or blade server enclosure to a UPS system or PDU. It can also replace or upgrade the standard power cord provided by the device's manufacturer. The two-foot (0.6-meter) length helps reduce cable clutter and minimize the risk of tripping.

### Blue Jacket Helps Avoid Misidentification That Can Cause Costly Downtime

The UL-listed cable has a blue PVC jacket, which is easy to identify quickly in a crowded PDU or UPS system and helps prevent the cable from becoming accidentally disconnected.

## **Specifications**

| OVERVIEW                    |  |
|-----------------------------|--|
| UPC Code                    | 037332289001                             |
| Device Compatibility        | Network Switch; PDU; Router; Server; UPS |
| Country/Region              | North America                            |
| INPUT                       |  |
| Maximum Input Amps          | 20                                       |
| Voltage Compatibility (VAC) | 250                                      |
| CONNECTIONS                 |  |
| Side A - Connector 1        | IEC-320-C20                              |

### **Highlights**

- Recommended for powering servers, routers and other highoutput network devices
- Blue cable jacket allows quick identification of devices in a crowded rack enclosure
- 2 ft. length allows flexibility in placing devices, while avoiding cable clutter
- C20 to C19 cord replaces or upgrades standard power cord provided by manufacturer
- Thick 12 AWG wire gauge manages high power levels required for larger equipment

### **Package Includes**

P036-002-ABL C19 to C20 Heavy-Duty Extension Cord, 2 ft. (0.6 m), Blue
