## Computer Cable, Null Modem Adapter DB25M to DB25F Gold Connectors

MODEL NUMBER: P114-000

### Highlights

- Inexpensive alternative to buying new cables
- Full null - modem handshake
- Fully shielded against EMI/RFI interference

### System Requirements

- Straight through wired cable with DB25 connectors

### Package Includes

- Null Modem Adapter Block DB25M to DB25F Gold Connectors

### Description

Null modem cables and adapters connect two serial devices that require a null modem configuration. This null modem adapter converts any straight through wired cable with DB25 connectors into a null modem cross-wired configuration. Adaptable to many serial PC to PC or PC to printer applications. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

### Features

- Converts any straight through wired cable with DB25 connectors into a null modem cross-wired configuration
- Gold plated contacts and connectors for superior conductivity
- Tripp Lite warrants this product to be free from defects in materials and workmanship for life
