Description

Tired of carrying all those loose cords all around? When you're an on-the-go businessperson with no time to spare, who wants to carry all those loose phone cords with you each time? Eliminate all those worries with the retractable RJ11 phone cord. It fits easily in your notebook case or pocket. This cord extends up to 8ft. in length and gracefully retracts into a small reel. Get one today! RJ11 male to male. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Features

- Automatic spring retractable cord
- Eight feet of fuss free network/ISDN cable
- Great alternative to carrying loose network cables
- Simply touch the release button and the cord automatically retracts with no manual winding
