

200W PowerVerter Ultra-Compact Car Inverter with Outlet and 2 USB Charging Ports

MODEL NUMBER: PV200USB

Highlights

- Charges multiple electronic devices in your vehicle
- Features AC outlet, 2.1A USB port and 1.0A USB port
- Plugs into your vehicle's cigarette lighter socket
- Built-in interior cooling fan
- Durable plastic housing

Package Includes

- PV200USB 200W PowerVerter Ultra-Compact Car Inverter
- Warranty information
- Owner's Manual

Charge and/or power multiple electronic devices—including smartphones, laptops, tablets, GPS units, DVD players, MP3 players, camping equipment and mobile office equipment—on the go in your car, truck, boat or RV.

Description

The PV200USB 200W PowerVerter® Ultra-Compact Car Inverter provides 200 watts of portable power for charging and operating multiple devices in your car, truck, boat or RV. It converts 12V DC power into standard 120V AC power to run a wide variety of electronics, such as smartphones, laptops, tablets, GPS units, game systems, portable TVs, DVD players and MP3 players, as well as low-power lights, camping accessories, battery rechargers for small battery-operated power tools and mobile office equipment.

The PV200USB features an AC outlet, a 2.1A USB port and a 1.0A USB port. Just plug the DC input jack with convenient 3-ft. (0.91 m) cord into the 12V cigarette lighter socket in your vehicle, press the On/Off button, and the unit is ready to operate. Easy-to-read LED lets you know the inverter is receiving power from the battery.

To prevent you from running down your car battery, the PV200USB turns off automatically when the input voltage falls to 10V. Likewise, the unit will also shut down if it gets too hot (for instance, because your connected devices exceed 200 watts). A built-in ventilation fan keeps the interior cool during extended use. The durable plastic housing is engineered to withstand the rigors of road trips, campouts, business trips and family vacations. No maintenance is required.

Features

Powers and Charges Up to 3 Devices

- Converts 12V DC battery power to standard 120V AC power
- Runs smartphones, laptops, tablets, GPS units, game systems, portable TVs, DVD players, MP3 players and other electronics
- Features AC outlet, 2.1A USB port and 1.0A USB port
- Outputs 200 watts (continuous); 400 watts (peak)

Easy to Use

- DC jack plugs into the cigarette lighter socket in your car, truck, boat or RV
- Flexible 3-ft. (0.91 m) cord allows devices to run in the back seat
- LED indicates the unit is receiving power from the battery

Premium Construction

Powering Business Worldwide

- Durable plastic housing built to withstand rigors of travel
- Built-in ventilation fan keeps the interior cool during extended use
- Automatic low-voltage shutoff prevents deep vehicle battery discharge at 10V
- No maintenance required

Specifications

OVERVIEW	
UPC Code	037332187918
INPUT	
Input Connection Type	12VDC cigarette lighter input plug connection
Voltage Compatibility (VDC)	12
Input Cord Length (ft.)	3
Input Cord Length (m)	0.91
OUTPUT	
Frequency Compatibility	60 Hz
Pure Sine Wave Output	No
Nominal Output Voltage(s) Supported	120V
Output Receptacles	(1) 5-15R
Continuous Output Capacity (Watts)	200
Peak Output Capacity (Watts)	400
Output Frequency Regulation	60 Hz (+/- 3 Hz)
Overload Protection	20A fuse
BATTERY	
DC System Voltage (VDC)	12
CHARGING	
Charging Ports / Amps	(1) 1A; (1) 2.1A
PHYSICAL	
Material of Construction	Plastic
Shipping Dimensions (hwd / in.)	6.89 x 5.70 x 2.55
Shipping Dimensions (hwd / cm)	17.50 x 14.50 x 6.50
Shipping Weight (lbs.)	1.10
Shipping Weight (kg)	0.50

Powering Business Worldwide

Unit Dimensions (hwd / in.)	2.362 x 4.173 x 5.961
Unit Dimensions (hwd / cm)	6.01 x 10.6 x 15.13
Unit Weight (lbs.)	.917
Unit Weight (kg)	0.42
STANDARDS & COMPLIANCE	
Product Compliance	RoHS
WARRANTY & SUPPORT	
Product Warranty Period (Worldwide)	1-year limited warranty
