# Bracket Extension Kit for RapidPod Aisle Containment System - 24”H

MODEL NUMBER: RAPODCORBK24

Steel bracket provides additional corner support for your modular RapidPod Aisle Containment System.

## Features

### Modular Customization of Your RapidPod Aisle Containment System

This corner bracket kit provides robust corner support for your RapidPod® Aisle Containment System, ensuring stability and alignment in high-demand environments. A precision-crafted corner bracket provides vertical support at containment corners, ideal for a modular setup. A trapezoid gusset bracket reinforces structural integrity with angled support, minimizing flex and enhancing load distribution.

### Ideal for Healthcare, Cleanroom and Industrial Applications

Whether you're building a temporary isolation room or a permanent containment zone, this silver steel bracket kit delivers the strength and precision your setup demands.

## Highlights

- Precision-crafted steel bracketing ensures stability and alignment
- Modular assembly allows for quick configuration and adjustment
- Designed for simple corner assembly and reinforcement in high-demand environments
- Recommended for healthcare, cleanroom and industrial applications

## Package Includes

- (4) Corner brackets, 24 in.
- (8) Trapezoid gusset brackets
- (40) Screws, 5/16-18

## Specifications
