Bracket Extension Kit for RapidPod Aisle Containment System - 48”H

MODEL NUMBER: RAPODCRNBK48

Steel bracket provides additional corner support for your modular RapidPod Aisle Containment System.

Features

Modular Customization of Your RapidPod Aisle Containment System

This corner bracket kit provides robust corner support for your RapidPod® Aisle Containment System, ensuring stability and alignment in high-demand environments. A precision-crafted corner bracket provides vertical support at containment corners, ideal for a modular setup. A trapezoid gusset bracket reinforces structural integrity with angled support, minimizing flex and enhancing load distribution.

Ideal for Healthcare, Cleanroom and Industrial Applications

Whether you're building a temporary isolation room or a permanent containment zone, this silver steel bracket kit delivers the strength and precision your setup demands.

Highlights

- Precision-crafted steel bracketing ensures stability and alignment
- Modular assembly allows for quick configuration and adjustment
- Designed for simple corner assembly and reinforcement in high-demand environments
- Recommended for healthcare, cleanroom and industrial applications

Package Includes

- (4) Corner brackets, 48 in.
- (8) Trapezoid gusset brackets
- (40) Screws, 5/16-18
