Heavy-Duty Ceiling-Mount Bracket Kit for RapidPod Aisle Containment System - 8' Section

MODEL NUMBER: RPODCEILINGMTH

Secures your modular RapidPod Aisle Containment System to an overhead structure to ensure stability.

Features

Modular Customization of Your RapidPod Aisle Containment System

This heavy-duty ceiling-mount bracket kit anchors your RapidPod® Aisle Containment System to an overhead structure, ensuring a stable bond in a demanding environment. The height-adjustable threaded rod provides robust support, reliable load-bearing performance and precise positioning in your customized application. Mounting hardware is included.

Highlights

- Offers a heavy-duty overhead solution for your data center containment installation
- Anchors your RapidPod system to the ceiling using the included hardware
- Adjustable threaded rod allows precise positioning in your customized application

Package Includes

- (6) Ceiling bracket/threaded rod combinations
- (12) Screws, 5/16-18
