# SmartRack 1U Blanking Panel Kit - Toolless Mounting, 10 Panels, White

MODEL NUMBER: SR1UPANEL10W

Fills unused rack spaces to help improve cooling efficiency and optimize airflow throughout the rack enclosure.

## Features

### Prevents Recirculating Hot Air from Harming Your Rack-Mounted Equipment

This SmartRack® blanking panel kit is ideal for filling in unused rack spaces in your EIA-standard 19-inch rack enclosure. SR1UPANEL10W blanking panels close off unused rack openings, which improves cooling efficiency by optimizing airflow and preventing hot air from recirculating through your expensive equipment. Efficient cooling reduces operating costs, improves performance and helps your network equipment last longer.

### Easy to Install with No Tools Needed

Each blanking panel's rear tabs snap easily into the front mounting rails of your rack enclosure. No tools are needed. Each blanking panel occupies 1U of rack space. Ten blanking panels are included.

## Specifications

OVERVIEW	
UPC Code	037332291974
Accessory Type	Airflow Management
Accessory Class	Rack Accessories
PHYSICAL	
Shipping Dimensions (hwd / in.)	4.60 x 9.50 x 18.80
Shipping Dimensions (hwd / cm)	11.68 x 24.13 x 47.75
Shipping Weight (lbs.)	3.20
Shipping Weight (kg)	1.45
Unit Dimensions (hwd / in.)	1.790 x 18.950 x 1.750

## Highlights

- Helps prevent hot air from recirculating through expensive network equipment
- Optimizes airflow to improve cooling efficiency throughout the rack cabinet
- Easy to mount in 1U of rack space with no tools needed
- Compatible with EIA-standard 19-inch rack enclosures, including SmartRack cabinets

## System Requirements

Compatible with all square-hole EIA-compliant rack cabinets

## Package Includes

- (10) 1U blanking panels
- Installation instructions
