- Durable steel construction with black powder-coated finish
- Includes mounting hardware and nylon zip ties

Package Includes

- SRCABLETRAY1U SmartRack 1U Horizontal Cable Management Tray
- (4) M6 screws
- (4) M6 cage nuts
- (4) Cup washers
- (12) Nylon zip ties
- Owner's manual

Description

The SRCABLETRAY1U SmartRack 1U Horizontal Cable Management Tray cuts down on cable clutter and stressed connections by safely supporting and segregating the equipment cabling from either side of the rack to interior connections. Multiple anchor points across the tray provide cable strain relief and prevent accidental disconnection.
Made from steel with a black powder-coat finish to match most racks, the SRCABLETRAY1U quickly and easily mounts to your rack's front or rear vertical rails at any height using the included hardware. It mounts either in front or in back of your rack equipment, so it doesn't take up any additional rack space.
Compatible with EIA-standard 19-inch racks. Nylon zip ties also included.

Features

Prevents Cable Clutter and Stressed Connections Safely supports and segregates equipment cabling in rackRoutes cable from either side of rack to interior connectionsMultiple anchor points relieve cable strain and prevent accidental disconnectionSteel construction with black powder-coat finish

Easy and Quick to Install Mounts to front or rear vertical rails at any heightMounts in front or back of rack equipment—takes up no extra rack spaceIncludes mounting hardware and nylon zip tiesCompatible with EIA-standard 19 in. racks
