

Horizontal Cable Trough, Black

MODEL NUMBER: SRCABLETROUGH

Horizontal cable manager routes cables from the front of your rack enclosure to the rear, where they can more easily be organized and accessed.

Features

Cable Trough Helps Prevent Cable Clutter and Stressed Connections

Effective cable management in high-density IT environments can lead to increased equipment efficiency and performance. This cold-rolled steel SmartRack® Cable Trough helps eliminate cable stress by routing cables from the front of your wide rack cabinet to the rear, where you can more easily organize and access them. The SRCABLETROUGH's telescopic design and the included screws allow you to adjust the cable manager to accommodate the depth of your rack enclosure.

Control and Organize Cables for Improved Performance and Efficiency

By reducing cable stress and routing cables properly, you minimize the risk of a costly disconnection or cable failure. Increased airflow with proper cable management also helps boost system performance and avoid costly failures that lead to downtime, damage and data loss.

Highlights

- Eliminates cable stress by routing them from the front to the rear of your rack cabinet
- Telescopic design lets you adjust the cable trough to the depth of your enclosure
- Built to last using cold-rolled steel with a black finish to match your rack

Package Includes

SRCABLETROUGH Horizontal Cable Manager, Black

Specifications

OVERVIEW	
UPC Code	037332290731
Accessory Type	Cable Management Accessories
PHYSICAL	
Color	Black
Shipping Dimensions (hwd / in.)	4.53 x 6.89 x 22.44
Shipping Dimensions (hwd / cm)	11.51 x 17.50 x 57.00
Shipping Weight (lbs.)	4.21
Shipping Weight (kg)	1.91
Unit Dimensions (hwd / in.)	4.875 x 2.480 x 19.882

Powering Business Worldwide

TRIPP LITE
SERIES

Unit Dimensions (hwd / cm)	4.875 x 2.480 x 19.882
