

SmartRack Rack Enclosure Single-Width Vertical Equipment Management Bars, 48U, 1 Pair

MODEL NUMBER: SRVRTBAR48SGL

Provides additional rack mounting for vertical cable management and 0U PDU models in your data center, wiring closet or telecom application.

Features

Increases the Cable Management Capability of Your 48U Rack Cabinet

These single-width rack accessories install in your enclosure using the included hardware to help you reorganize and improve the management of network and power cables. Keyhole slots provide toolless mounting for 0U PDUs, cables and other accessory items that need to be vertically installed in your rack. Two single-width vertical cable management bars with a classic black finish to match your rack are included. They are compatible with all Tripp Lite SmartRack 48U floor-standing racks, including wide, deep and expandable models.
