

Wall/Floor Spider Bracket for Wire Mesh Cable Trays

MODEL NUMBER: **SRWBSPDRBRKT**

Securely mounts sections of wire mesh cable tray along the wall or floor of your data center, network closet or industrial space.

Features

High-Resiliency Spider Bracket Helps You Create Custom Cable Management Schemes

The SmartRack® SRWBSPDRBRKT is a black powder-coated metal bracket for easy installation of your wire mesh cable tray. This bracket allows you to mount straight sections of cable tray to the wall or floor of your data center, network closet or industrial space and extend your cable management application. It mounts to the wall or floor with user-supplied hardware and then effortlessly snaps into the wire mesh. For best practice when wall mounting, additional support on the other side of the tray section is recommended.

Highlights

- Provides a variety of mounting positions for securely installing wire mesh cable trays
- Allows you more flexibility in routing custom cable management applications
- Easy to install on a wall or floor with user-supplied mounting hardware
- Suitable for small spaces; needs only 100 mm installation space

Applications

- Mount a wire mesh cable tray system to the wall or floor of your data center

Package Includes

- SRWBSPDRBRKT Wall/Floor Spider Bracket
- Installation guide
