

10W Wireless Fast-Charging Pad, Black

MODEL NUMBER: U280-Q01FL-BK

Not for sale in the USA until further notice.

Qi wireless phone charger transfers battery power to your device without connecting a troublesome cable between them.

Features

Wireless Cell Phone Charger Delivers up to 10W for Apple and Samsung Phones Who wants to plug and unplug power cords when you just want to charge your cell phone? The U280-Q01FL-BK makes charging more convenient by doing it wirelessly. Just place your Qi-certified device on the round charging pad. That's all there is to it. This wireless phone charger even works through most protective phone cases up to 5 millimeters. **Note:** please remove any magnetic or metal objects from your phone or case before charging.

Compatible with Qi-Certified Cell Phones to Ensure a Safe, Flawless Charge The U280-Q01FL-BK works with all Qi smartphones from Apple, Sony, LG, Samsung, Nokia and other popular brands. It protects your expensive device from overheating and overcharging that could lead to internal damage. An LED flashes blue to indicate the charging process is underway and changes to red to let you know your phone is at 100%. The portable lightweight pad is just four inches in diameter, so it fits easily on your desktop or bedside table. An included USB cable connects the charger to a user-supplied QC USB wall charger or power adapter (QC 2.0 or 3.0 adapter is recommended for high-speed charging).

Highlights

- Charges your Apple iPhone, Google Pixel or Samsung Galaxy wirelessly without a cable
- LED flashes blue during charging and turns red to indicate device is fully charged
- Charges your smartphone through its protective case to avoid the hassle of removing it
- Prevents overheating and overcharging to protect your essential device from damage
- Universally compatible with all Qi-certified smartphones and other devices

Applications

- Transfer power from a wall charger or power adapter to your smartphone's battery without the burden of carrying and connecting extra cabling

System Requirements

- Compatible with all Qi-certified smartphones, including the latest Apple iPhone, Google Pixel and Samsung Galaxy devices

Package Includes

- U280-Q01FL-BK Wireless Charging Pad, Black
- USB 2.0 A to Micro-B cable, 3 ft.
- Quick Start Guide

Specifications
