### **FEATURES & BENEFITS**

One-time preventive maintenance visit (Normal Business Hours) performed on the In-Row Precision Air Conditioning System SRCOOLDXRW25 in USA (Lower 48 states). Excludes onsite warranty service, parts and labor.

#### **Preventive Maintenance**

All cooling systems have wearable components that must be checked periodically to ensure they are still operating within specifications. Preventive maintenance identifies and corrects problems early, before they can cause inefficiency, poor performance, UPS failure, downtime and lost productivity. Preventive maintenance is key to cooling reliability, longevity and cost control.
